

28 Off-the-Grid Destinations That Will Let You Get Away From it All

Those stress management apps you downloaded? They've got nothing on the revitalizing power of these backcountry retreats.

The Lark | Bozeman, Montana

If you haven't heard of it already, *snowga* is the act of practicing yoga in the snow, and what better place to try it out than in the sprawling wilderness of Montana? The Lark's [snowga](#) extravaganza includes a two-night stay and kicks off with a snowshoe
