

## 50 Beautiful Small Towns in America

Bewitching backdrops, inviting shops and historic treasures await in these storybook towns.

### Bozeman, Montana

This scenic mountain town tucked amid the Tobacco Root Mountains and the Bridger Mountains is an ideal launching pad for exploring Yellowstone National Park and Big Sky, Montana. But this pretty pastoral area isn't just a prime destination for skiers and hikers. If you're longing for an outside-the-box adventure in winter, try a
