

12 Places to Embrace the Cold This Winter

Rethink taking a sunny beach getaway to chase away your winter doldrums.

Let's face it: Winter isn't going away any time soon. While many travelers are fleeing to sunny seaside locales, there's something to be said for a [cold-weather escape](#) with exhilarating days hitting the trails, tackling the slopes and warming up in cozy lodges by a crackling fire. If you're ready to embrace the cold, here are a few ideas on where to go for winter fun.

Bozeman, Montana

The Lark, a modern hotel in downtown Bozeman, is an ideal home base for a Montana adventure. There are a variety of packages, where you snowshoe or hike on trails, and warm up with a 30-minute snowga experience (yoga in the snow) amid all the natural winter beauty. Or check out the Toasty Tour de Foam, where you can taste your way through Bozeman's best breweries with the help of a professional guide.
